

THERE IS HOPE

> More than you can imagine ...

We exist to equip people with biblical principles to

- 👤 **renew lives,**
- 👪 **restore families,**
- 🏛️ **revitalize churches,** and
- 🌐 **reproduce influencers—worldwide.**

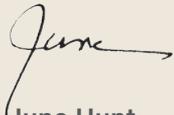

Dear Friend,

Imagine with me ... a global movement of *biblical hope and practical help* equipping people to live transformed lives! God is able to do it—and more—and *you* have a pivotal role to play.

For over 30 years, our ministry has been possible only because of God's power at work within *us*. How grateful I am for our generous supporters who have a passion to share the hope of Christ.

I pray you are encouraged as you read about the impact of HOPE FOR THE HEART in 2018. Most sincerely, it's a privilege to partner with you and, together, tell the world ***there is hope.*** ...

More than you can imagine,

June Hunt
Founder/CSO
(Chief Servant Officer)

“Now to **Him** who is **able** to
do **immeasurably more**
than all we ask or **imagine**,
according to **His power**
that is at **work** within us,
to **Him** be glory
in the **church** and in
Christ Jesus
throughout **all generations**,
for **ever** and **ever!** Amen.”

(Ephesians 3:20–21)

“Now to Him who is able ...”

Alex's story

Alex, a missionary to the Amazon River basin, was burdened to share Christ with the river communities, but his requests were repeatedly denied. Community leaders resisted any evangelical influence.

One day, Alex heard about a school teacher who uses a solar-powered mp3 player to air our Portuguese *HOPE FOR THE HEART* radio program over the school's loud speaker each morning.

The mp3 player piqued the interest of community leaders—they wanted one! Alex offered to provide each home with a player in exchange for allowing him to share Christ in their local settings. They agreed!

Now, Alex freely shares the gospel in the Amazon communities. His story is just one of many we hear each month as a testament to the ministry of our International team. We praise God that *He is able* to help us overcome obstacles and use our ministry to spread the hope of Christ around the world.

“... to do immeasurably
more than all we ask or imagine ...”

Darnell's story

“I know it was God who led me to listen to *HOPE FOR THE HEART* in the afternoon and *HOPE IN THE NIGHT* at midnight. These programs have been such a blessing to me and truly ministered to me in ways *I couldn't have imagined*.

“I have rededicated my life to Christ. I see my past sins and where I went wrong. I learned how to forgive because of you. It helped me! Thank you!”

—DARNELL

“... according to His power
that is at work within us ...”
